

# BED SCALES

PRODUCT NUMBER 7710

Medicine, health and wellness

- › Approved to EU Class III, MPG Class 1
- › EasyLift system – innovative hoist technology
- › Alphanumeric input keypad
- › Weighing range 500kg
- › Divisions: 100g/200g
- › No wear parts and maintenance-free

# BED SCALES

PRODUCT NUMBER 7710

## Features

The scales for weight control in intensive care units and dialysis centres, consisting of 4 weighing units, Digital Indicator 3020 and a practical trolley.

- › New simplified handling with EasyLift system – innovative hoist technology
- › No more rolling beds onto weighing facilities. This is especially good for patients under intensive pain
- › The weighing units are simply positioned under the bed wheels from the side. The bed is raised by foot pedal without the use of excessive force.
- › The weighing units are individually plugged in

### Technical data

- › Mains power supply: power adapter 100-240V/50-60 Hz, 400mA, 2m power cord
- › 4 weighing units, digital indicator made of stainless steel with 2m power cord
